Dear Madam,

**RE: CAF EXECUTIVE COMMITTEE ELECTIONS NOMINATIONS-FOOTBALL ASSOCIATION OF ZAMBIA (FAZ)**

- 1.0. Reference is made to the above stated matter.
- 2.0. We wish to inform you that we had two interested parties wishing to contest the CAF Executive Committee elections, Mr Andrew Kamanga the sitting FAZ President and Mr Kalusha Bwalya the past CAF Exco member and past FAZ President. In line with the FAZ Constitution and FIFA Governance Regulations Clause 4, both parties were requested to undergo an Integrity Test before being considered for nomination by the Association. Mr Kamanga did fill in the Integrity Test questionnaire while Mr Bwalya refused to do so.
- 3.0. We wish to uphold the FAZ Constitution that calls for an Integrity Test on any member desiring to contest posts at FAZ and Continental level. Be reminded that Mr Bwalya was recently convicted by FIFA for corruption and slapped with a 2-year ban from all soccer related that was subsequently reduced to 8 months upon his appeal.
- 4.0. Therefore, Mr Kalusha Bwalya does not qualify for nomination by the National Association. We also bring to your attention that Mr Kalusha Bwalya has been going to the Press over the nomination bringing the

*name of the Association into disrepute. In his initial nomination application, he sent an email to my office copying in our Sports Minister and all FAZ EXCO members leaving out the FAZ President with impunity.*

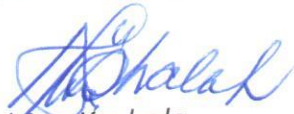

5.0 *The only candidate FAZ wishes to nominate is Mr Andrew Kamanga whose nomination papers were already submitted before Mr. Kalusha Bwalya expressed interest.*

6.0 *We look forward to being of continuous service to you.*

Yours faithfully

For and behalf of the:-
